Gain the regulatory skills, knowledge and competency required to become a recognised and qualified nurse in Australia with the necessary certifications of OET, NCLEX and OSCE.

CHANGE YOUR LIFE & MAKE A DIFFERENCE!

OET

The OET assesses the English language proficiency of healthcare professionals who seek to practice in an English-speaking environment. It focuses on the language skills necessary for effective communication in healthcare settings.

Duration

- Preparation Course: 120 hours

NCLEX

The NCLEX is the standardised exam for nursing licensure in Australia. It tests the knowledge, skills, and abilities essential for safe and effective practice as a nurse and a prerequisite for APHRA for a nursing role in Australia.

Duration

- Preparation Course: 120 Hours

OSCE

The OSCE is a practical exam for healthcare professionals to assess their clinical skills in a controlled environment. It is often required for licensing and certification in various countries.

Duration

- Preparation Course: 120 Hours

WORK IMMERSION PLACEMENT

Upon completing the necessary certifications, candidates will be considered in the nominated programme on a skills visa category allowing completion of the OSCE exam. During your entire time, there will be welfare provision of subsidised shared accommodation.
