

POSTGRADUATE CERTIFICATE IN PEOPLE MANAGEMENT & EMPLOYMENT RELATIONS

OUR DEAN'S MESSAGE

"Welcome to EDUK8U® Grad School Asia (EGSA) Centre for Executive Education.

I am delighted to introduce you to our double certification Postgraduate Certificate in People Management and Employment Relations (PMER) qualification with our UK Awarding body NOCN and SHRM in supporting you to a HR career journey."

This international certification programme with NOCN and SHRM will empower participants with the knowledge necessary to manage people and employment relations management in an organisation or team, effectively and efficiently thus enabling the management of the highly productive workforce. With flexible learning options, our PMER qualification enables you to match your learning requirements with your career goals and your lifestyle.

We develop executives, supervisors, managers and HR leaders for organisations that are driven by constant innovation, empathy for their people and for industries that are transforming the world. We admit individuals who are ready to take their talent to the highest level by working side-by-side with peers who have the same aspirations and understanding; this is only the beginning of your HR learning journey. We strive to ensure that your student experience at EGSA is shaped by our alumni, the facilitators, guest speakers, the administrators, and most of all, your fellow cohort.

See you in class!

WHY PEOPLE MANAGEMENT & EMPLOYMENT RELATIONS?

EDUK8U® Grad School Asia in partnership with the Society for Human Resource Management (SHRM) and the National Open College Network UK (NOCN) is offering a comprehensive, practical and interactive postgraduate programme to help working professionals, with the objectives of improving participants' skills in a condensed teaching period and allows participants to obtain a professional qualification quickly and conveniently. We integrate our teachings with industry scenarios and real-time solutions for manpower issues.

This qualification will empower participants with the knowledge necessary to manage people and employment relations management in an organisation or team, effectively and efficiently thus enabling the management of the highly productive workforce.

LEARNING OUTCOMES

To understand the various provisions of the Employment Act and Industrial Relations Acts of Malaysia, as well as People Management best practices.

To apply and practise best People Management exercises in undertaking disciplinary actions addressing employee misconduct and non-performance prior to termination and/or restructure of employment, in compliance with the provisions of Malaysian Labour Law.

To be able to create, demonstrate and measure a harmonious working environment, while managing new generation of employee expectations relating to the changing landscape of human capital management.

To professionally communicate and empathise with employees in handling performance, misconduct and manpower planning of the business.

To effectively and professionally communicate with subordinates, and lead teams to comply with the Malaysia Labour Ordinance.

To resolve and provide solutions in compliance to process, methodology and documentation as required by Malaysia Labour Ordinance.

To recall and apply facts, concepts and industry-related practices via industry experts, to solve daily organisational People Management-related issues.

To assess, compare and justify proposed solutions in handling People Management-related issues in an effort to mitigate industrial court exposure.

CASE STUDY REVIEW, WORKSHOPS & SHRM EXAM

HOW TO FIT STUDY INTO YOUR LIFE IN TODAY'S WORLD?

1

Set goals and write list

Make a list of study and tick them off when you complete them. Not only will it motivate you and give you a sense of achievement, it will help you feel in control and reduce study stress.

2

Make use of your downtime

Short study sessions help the synapses in your brain information much better than lots of information in long sessions. Chipping away at your studies regularly helps you avoid becoming overwhelmed and work towards achieving your study goals

3

Know your distractions and limit them

If you know that a particular time of day or place doesn't suit your study habits, avoid it. Schedule your time of so that you can work in your ideal setting. Be ware of what does and does not work for you, and ensure you stick to it.
